PRINCIPAL'S *Message*

Dr. Anita Nair

It gives me immense pleasure and satisfaction as yet another issue of ALMAS, the college newsletter is ready for release. The college newsletter is the one that disseminates the achievements of the students and the members of various faculties to the world outside. I appreciate and congratulate the efforts of each and every member of the editorial board for reflecting the happenings in the college to its minutest detail.

The college has leapt to greater heights from its humble beginning, caters to the students who hail from socially and economically backward students. We could provide the state of art infrastructure and a dedicated team of teachers to provide them with quality education. College newsletter throws light into various efforts taken by the management and staff of the college for uplifting the downtrodden.

I take this opportunity to congratulate all those who have shown their commitment in developing this institution into a prestigious center of higher learning.

MANAGER'S *Message*

Dr. Junaid Rahman

A college newsletter mirrors the success story of the college to the world outside and it gives me immense satisfaction to know that another elegant issue of the college newsletter is ready for release. I am pretty sure that this edition of the newsletter will take us a step ahead in the overall growth of our institution that mainly caters to the deprived sections of the society.

Every contribution made by each and every member of the Al Ameen family is highly commendable and will definitely take our college to greater heights. College has grown into a prestigious institution as dreamt by the founding fathers and with whole hearted cooperation of the staff and the students; we will be able to compete with the best. I congratulate all those who have contributed their bit in making this newsletter a grand success.

INTERNATIONAL CONFERENCE ON GREEN ECONOMY AND ENVIRONMENT SUSTAINABILITY

Department of Economics, conducted a two day Multidisciplinary International Conference on the topic "Green Economy and Environment Sustainability" on 18 and 19 January 2018. The conference shed the light on different ways to protect our environment by opting the alternatives available for us. Conference

discussed about the different issues related to the subject, particularly energy efficiency, since we are facing energy crisis today. Various alternative power generation methods and energy efficient technologies have been put forward in the conference. The key speakers of this conference were:

1. **Prof. Dr. Rizalman Bin Mamat**

(Dean, Faculty of Mechanical Engineering, University of Malaysia, Pahang),

2. **Dr. K. Sudakar**

(Senior Lecturer and Researcher, University of Malaysia, Pahang and Former Professor, NIT, Bhopal)

3. **Dr. Siraj. K. K**

(Professor, Higher College of Technology, Sultanate of Oman And Former Head of Department, IBRA College of Technology, Sultanate of Oman)

4. **Dr. Mary Joseph**

(Former Director, School of Management Studies, CUSAT And Former Dean Bharathmata Institute of Management),

5. **C. Jayaraman**

(Founder And General Secretary of Society of Energy Engineers And Managers (SEEM) And Former Senior Manager, Projects, Kochi Refinery),

6. **Sooraj Abraham**, Founder and Executive Member, Plan@Earth (NGO),

7. **Suresh Kumar. P. K**, Chairman, Indian Institute of Chemical Engineers

Prof. Dr. Rizalman Bin Mamat spoke about “Biofuel as Sustainable Energy Resources: An Overview from Opportunity & Economic Perspective”. The topic handled by Dr. K. Sudakar was “Low carbon energy transition, Pathways, strategies for sustainable future of India” and that of Dr. Siraj.K.K was “Sustainability of Sustainable Development Initiatives in India: A Critical Review”. Dr. Mary Joseph discussed the importance of “Looking Back to Go Forward”, Agriculture Initiatives for a Green Economy. Sooraj Abraham spoke about “Green Consumerism in India” and C.
