Aliya, P.T.A president appreciated the efforts from the Management and staff for the efforts made to stop ragging in the campus. Principal Dr. Anita Nair, briefed the programme and strategies adopted in the

# College to prevent ragging.

The college authorities have taken steps to prevent ragging. They have issued a circular to all the students and faculty members. The circular states that ragging is strictly prohibited and any student found guilty will be expelled from the college. The college has also appointed a ragging committee to monitor the situation. The committee will consist of representatives from the students and faculty. The committee will hold regular meetings to discuss the progress of the anti-ragging drive. The college has also launched a campaign to educate the students about the dangers of ragging. The campaign includes the distribution of pamphlets and the display of posters. The college has also organized a series of workshops and seminars for the students. These workshops and seminars will focus on building self-esteem and resilience. The college has also taken steps to improve the campus environment. This includes the installation of CCTV cameras and the hiring of security guards. The college has also launched a helpline for students who are being ragged. The helpline will provide students with a safe and confidential way to report ragging incidents. The college has also taken steps to improve the quality of its education. This includes the hiring of qualified faculty members and the provision of state-of-the-art facilities. The college has also launched a series of extracurricular activities for the students. These activities include sports, music, and dance. The college has also organized a series of cultural programs for the students. These programs include plays, skits, and songs. The college has also taken steps to improve its infrastructure. This includes the construction of new buildings and the renovation of existing buildings. The college has also launched a series of community service projects for the students. These projects include the planting of trees and the cleaning of the campus. The college has also organized a series of seminars and workshops for the faculty members. These seminars and workshops will focus on the latest developments in the field of education. The college has also taken steps to improve its financial situation. This includes the launch of a fundraising campaign and the implementation of cost-cutting measures. The college has also launched a series of financial literacy programs for the students. These programs will teach the students how to manage their money and make informed financial decisions. The college has also taken steps to improve its reputation. This includes the launch of a public relations campaign and the implementation of quality assurance measures. The college has also organized a series of events to celebrate its achievements. These events include the awarding of scholarships and the holding of a sports day. The college has also taken steps to improve its communication. This includes the launch of a website and the implementation of a social media strategy. The college has also organized a series of newsletters for the students and faculty members. These newsletters will provide them with the latest news and information about the college. The college has also taken steps to improve its governance. This includes the formation of a governing body and the implementation of a code of conduct. The college has also organized a series of audits to ensure that it is operating in a transparent and accountable manner. The college has also taken steps to improve its environmental sustainability. This includes the implementation of energy-saving measures and the recycling of waste. The college has also organized a series of environmental awareness programs for the students and faculty members. These programs will focus on reducing the college's carbon footprint and promoting sustainable living. The college has also taken steps to improve its social responsibility. This includes the launch of a social responsibility policy and the implementation of various social responsibility initiatives. The college has also organized a series of community service projects for the students and faculty members. These projects will focus on improving the lives of the people in the surrounding community. The college has also taken steps to improve its international relations. This includes the launch of a program to attract foreign students and faculty members. The college has also organized a series of international exchange programs for the students and faculty members. These programs will provide them with the opportunity to study and work abroad. The college has also taken steps to improve its research and development. This includes the launch of a research center and the implementation of various research and development initiatives. The college has also organized a series of conferences and seminars for the faculty members. These conferences and seminars will provide them with the opportunity to share their research and learn from other experts in the field. The college has also taken steps to improve its student support services. This includes the launch of a student support center and the implementation of various student support initiatives. The college has also organized a series of workshops and seminars for the students. These workshops and seminars will focus on providing the students with the skills and knowledge they need to succeed in their studies and careers. The college has also taken steps to improve its alumni relations. This includes the launch of an alumni association and the implementation of various alumni relations initiatives. The college has also organized a series of events to celebrate its alumni. These events include the awarding of honorary degrees and the holding of a reunion. The college has also taken steps to improve its overall quality. This includes the implementation of a quality management system and the regular monitoring and evaluation of the college's performance. The college has also organized a series of audits to ensure that it is meeting the highest standards of quality. The college has also taken steps to improve its reputation. This includes the launch of a public relations campaign and the implementation of various reputation management initiatives. The college has also organized a series of events to celebrate its achievements. These events include the awarding of scholarships and the holding of a sports day. The college has also taken steps to improve its communication. This includes the launch of a website and the implementation of a social media strategy. The college has also organized a series of newsletters for the students and faculty members. These newsletters will provide them with the latest news and information about the college. The college has also taken steps to improve its governance. This includes the formation of a governing body and the implementation of a code of conduct. The college has also organized a series of audits to ensure that it is operating in a transparent and accountable manner. The college has also taken steps to improve its environmental sustainability. This includes the implementation of energy-saving measures and the recycling of waste. The college has also organized a series of environmental awareness programs for the students and faculty members. These programs will focus on reducing the college's carbon footprint and promoting sustainable living. The college has also taken steps to improve its social responsibility. This includes the launch of a social responsibility policy and the implementation of various social responsibility initiatives. The college has also organized a series of community service projects for the students and faculty members. These projects will focus on improving the lives of the people in the surrounding community. The college has also taken steps to improve its international relations. This includes the launch of a program to attract foreign students and faculty members. The college has also organized a series of international exchange programs for the students and faculty members. These programs will provide them with the opportunity to study and work abroad. The college has also taken steps to improve its research and development. This includes the launch of a research center and the implementation of various research and development initiatives. The college has also organized a series of conferences and seminars for the faculty members. These conferences and seminars will provide them with the opportunity to share their research and learn from other experts in the field. The college has also taken steps to improve its student support services. This includes the launch of a student support center and the implementation of various student support initiatives. 14. Arvind Kumar (IOAC) ~~MS~~

Edathala Panchayat President Smt. Sajitha Abbas presided over the meeting. Meeting discussed previous year's conditions. All members unanimously agreed that ragging cases are decreasing year by year in the campus. Motd is to make this a ragging free campus. Following are the suggestions to prevent ragging in the current year.

1. Strict action should be taken if any ragging case is reported.
2. Some teachers should be assigned for duty near the main gate.
3. Pleasant atmosphere should be maintained in the campus.
4. Maximum flex boards should be displayed explaining the seriousness of ragging.   
~~has to be~~   
 has to be in the flex - "Ragging free campus".
5. NCC students are assigned the duty of explaining the seriousness of ragging in all classes. One suggestion from the part of PTA member is that teachers should also accompany these students.
6. Plants distribute plants to first year students at the day of arrival itself for in the campus.
7. Arrange one flashmob on 25.6.19.
8. Conduct a weekly meeting on every Fridays.
