Manager's Message

The pioneering members of the Al-Ameen Trust founded the Al-Ameen College to provide education to an upcoming generation in the rural Edathala panchayat. From its humble beginnings as a junior college the institution has grown to the status of a Post Graduate College. The accreditation by NAAC has been yet one more step in its progress.

I am extremely happy to view the achievements of the past year in this newsletter.

I am sure that the institution will gather more laurels in the coming years in fields of academics, sports, and cultural activities always keeping in mind the magnanimous and philanthropic doctrines and aims of the college founders.

Principal's Message

It is a matter of great pride to me that Al-Ameen College Edathala, Aluva is recording the highlights of 2015-2016 in this newsletter. The institution has been steadily progressing over the years, and each milestone attained has enabled it to unfurl its petals and flourish. Our focus in the past year has been to combine and continue our efforts to improve. The NAAC peer team in January 2015 has set us higher aims and aspirations.

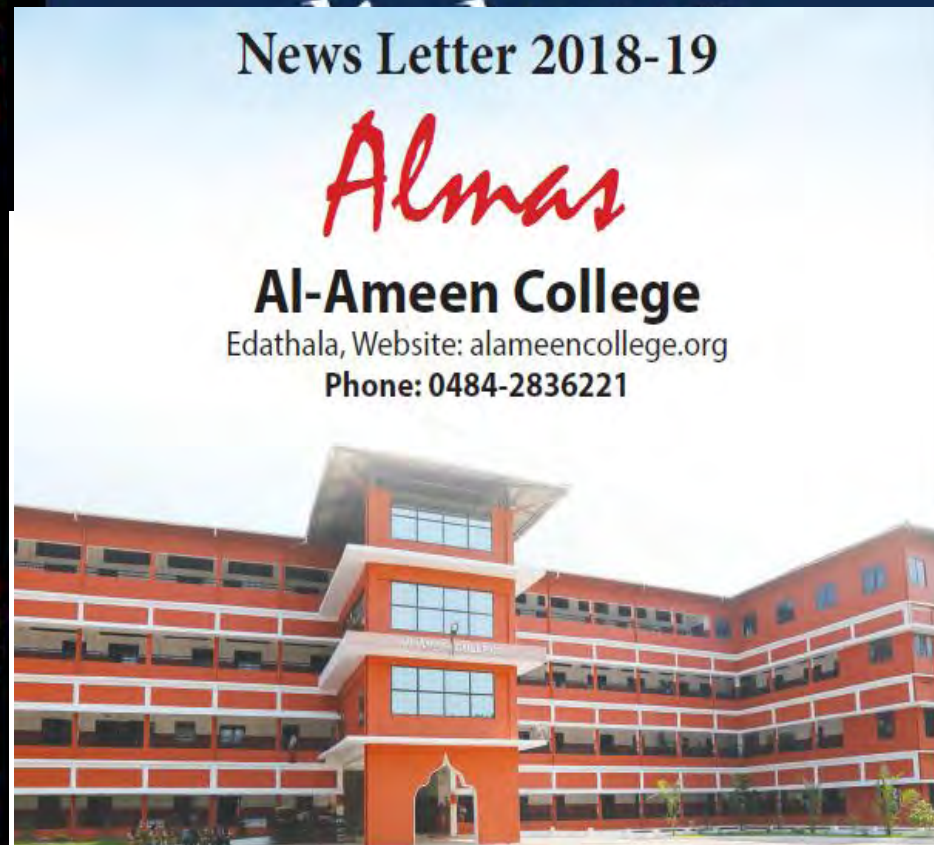

The collaborated and concerted efforts of our Management, staff and students has shown fruit in many arenas.

I must congratulate the Editorial body of this newsletter for the strenuous efforts they have taken to bring out this pioneer edition of Newsletter.
