EXAMINATION PERFORMANCE REPORTS

Degree and PG Results 2018-2019

Summative evaluation is a vital process that helps teachers use the data relating to examination to constantly monitor the significance of one's teaching or guidance and to take up more effective decisions. With constant evaluation of students, the teachers can quickly identify the achievement level of students and resort to measures which help to improve individual performance and eventually boost overall pass percentages.

Following is the pass percentage of students for the academic year 2018 – 19 of UG and PG admissions in various programmes:

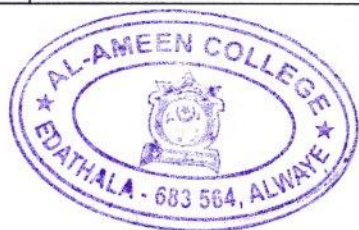

Sl. No.	Program Name	Pass Percentage
