ACTION TAKEN REPORT ON
CURRICULUM FEEDBACK FROM
STUDENTS, EMPLOYERS, ALUMNI AND
PARENTS
2021-2022

ACTION TAKEN REPORT ON STUDENT FEEDBACK

SUGGESTIONS	ACTION TAKEN
Could include more practical oriented subjects in the syllabus	Discuss with BOS
The syllabus provided for the science students updates every 3 years	Discuss with BOS
Provide more job-oriented certification courses for students	Discuss with all HODs and arrange more MOU with organizations to provide more certification courses and internship

ACTION TAKEN REPORT ON PARENT FEEDBACK

SUGGESTIONS	ACTION TAKEN
Give more importance to MOOC courses because students can learn or adapt more with our environment	Discuss with BOS and consider MOOC as a subject and has university exams.
Provide more importance to career-oriented programs.	College placed a placement officer and provide classes for students regarding aptitude training, communication, interview preparation as well as mock interview sessions.
